The Career Counselling Cell has organised a seminar on Career Opportunities after Graduation by Triumphant Institute of Management and Education. The speaker was Mr. Debarka Nandi who stressed on the government jobs providing service to the nation. He first focussed on the Banking Sector and the three layers of examination in this sector- the Clerical Cadre, Probationary Officers and Specialised Officers. It was advised by him to take preparations for all the three layers at the same time in an integrated way. General awareness is very important as the test areas are Logical Reasoning, English, and Quantitative Techniques. Exams are held online with 20 mins allotted time in each category. Next, he moved to the SSC and UPSC examinations and vividly described the preparation techniques. These included CGL, CHSL, CPO etc. he explained clearly to the students about the teaching methodologies, materials provided and timings of the courses offered in TIME.
