

INSTITUTIONAL DISTINCTIVENESS

One of the areas distinct to the priority of the College is our untiring effort to live up to the vision and legacy of Pandit Ishwar Chandra Vidyasagar.

Vidyasagar's contribution as a luminary of Renaissance Bengal, as an educationist and a social reformer had a profound impact on society. His legacy in education, gender equality, humanism and cultural pride continues to inspire contemporary Indian society. A beacon of enlightenment, Vidyasagar continues to motivate us with his moral integrity and courage.

Our Faculty, Our Pride

At Vidyasagar College for Women, **our esteemed faculty members** stand out for their exceptional **academic achievements** and **professional contributions**. They are invited as resource persons by prestigious Indian and foreign universities, thereby showcasing their expertise and **global recognition**. With quality publications, our faculty consistently demonstrate scholarly excellence. Their dedication to education and research has earned them several awards and accolades, making them invaluable assets to our institution.

Academic and Cultural Activities Inspired by Vidyasagar's Integrity and Moral Leadership

It has been our sincere endeavor to follow, work along and implement Vidyasagar's ideals in and through the various activities of the college. We try to live up to the vision of Vidyasagar, through cultural programs, and social and academic activities which are exclusive to our college and lend a distinctive quality to VCFW. This includes the major annual event of the birth anniversary of our founder Pt. Vidyasagar, which we have the honour and privilege to celebrate every year in our college. A medley of **competitive inter-college programs** and activities focused on relevant issues, especially related to the multi-faceted persona of Pt. Vidyasagar, are organized by the college, encouraging and inviting students from other colleges too to participate. Amidst huge responses and enthusiasm from participants, we have successfully arranged for **Debates, Quizzes, Essay-writing, Story-writing, Poster, Song and Dance, Skits, and Extempore**. Such activities test the knowledge, ability, talent and confidence of the students through healthy competitions and showcase their imaginative power and skills and promising literary abilities in Story- and essay writing. In 2020 and 2021, the event was performed online due to the Covid pandemic.

We also arrange for a day-long seminar where distinguished speakers and dignitaries, from various fields of life, grace the occasion and enrich the audience with their insightful deliverances. A Seminar on “**Vidyasagar and Creation of Values**” was organized on September 26, 2019. **Sri Anup Motilal**, the eminent scholar, was the speaker. **A webinar to commemorate the 200th birth anniversary** of Vidyasagar was held on September 26, 2020. The speakers were Sri **Jawhar Sircar**, former IAS and MP, and **Dr Krishna Roy**. International Webinar on “**Akshay Kumar Dutta and Relevance of Deliberations on Vidyasagar**” was organised by the Department of Bengali (commemorating the Bicentenary of Dutta and Vidyasagar) on 3/09/2020 & 04/09/2020. The celebrations at our institution brought to light the fillip he gave to scientific and rational enquiry in his educational and social reforms. This meaningful, relevant exchange of ideas on the life and works of such a great, compassionate reformist was then collected and published in the impressive **Bicentenary volume Suvokori (with ISBN 978-93-81037-90-4)** on September 26, 2020, thus recording these ideas for academic posterity and advanced research. On September 26, 2021, **Sri Ashish Lahiri** was the eminent speaker at the **Vidyasagar Memorial lecture** at our college. In 2022, the Vidyasagar Memorial lecture was delivered by the famous scholar Dr **Chinmoy Guha**. In 2023 an International **Indo- Bangladesh** seminar was held in the college auditorium to commemorate Vidyasagar’s birth anniversary on 26th September.

The Swang Drama Club: Inspired by Vidyasagar’s rationalist and humanist perspectives

One of the distinctive features of the college includes the regular staging of plays by the **Swang Drama Club of college**, under the guidance of Dr. Asif Alam, Professor in the Department of Hindi. Inspired by Vidyasagar’s moral fortitude, the plays are socially relevant, and attempt to promote gender equality and social justice. Some of the highly acclaimed performances of *Swang* are: ‘**Kinnar**’ focused on transgender issues and “**MOOK**” talks on Women Empowerment, --- won **first prize - at Hindi Divas Samaroha, organized by Hindi Academy, West Bengal** in 2022 and 2023. The play “**Lal-Ishq**” secured the **first prize** at the **National Drama Festival, Jasn-e-Azhar** (18th to 23rd March 2023). Besides, the street plays, ‘**Matdaan**’ which spreads awareness about voting rights and “**Jani Dushman**” which deals with the social perils of drug abuse, has received great reviews in the press too. Through these plays the students get a great opportunity, not only to project and display their artistic skills but also to gain practical knowledge of the outside world, as they act, interact and communicate with others in society.

Uddipan-Empowering through Experiential-Participative Learning

A **Knowledge Incubation Centre, UDDIPAN**, at the college hostel building focuses on fostering innovation and skill development in **Mushroom Cultivation and Cake baking**. Unique and contributive to the environment, it provides practical knowledge of agricultural techniques and also promotes **sustainability, entrepreneurship** and a deeper understanding of biology and environmental science. Interested students may pursue an advanced career along this line. Sri Anujit Das, owner and founder, of Earth Star Mushroom, was invited to share his expertise and give hands-on training to the students. This promoted a keener interest in pursuing the project further, as a profession even, as it allowed the students to explore the scientific and practical aspects of agricultural practices, teamwork, and independent learning. These skills will certainly go a long way in their career advancement and help them in developing business plans and launching new ventures.

The cake-baking program focuses on teaching students the art of baking cakes, decorating techniques, recipe development, and food safety practices. By providing hands-on training, mentorship and support services, the **Incubation Centre** of Vidyasagar College for Women aims to empower students to become successful entrepreneurs in these growing industries. This initiative aligns with the college's commitment to promote innovation, sustainability and experiential learning.

Vidyasagar College for Women IGNOU Study Centre (28162): Empowering Lives Through Education

Beyond the curriculum, Vidyasagar College for Women proudly houses an **IGNOU Learner Support Centre (LSC 28162)**. This empowers students who might face challenges in traditional classroom settings to pursue higher education. We understand that life's circumstances can be diverse, and IGNOU's flexible learning system bridges the gap. Through our college, students can access IGNOU classes, attend examinations, and ultimately, obtain degrees and certificates that unlock doors to brighter career prospects. This initiative reflects the college's commitment to **social service**, ensuring knowledge and opportunity reach a wider student community.

Murmurs of Silence

Often, we find the poet describing his subjective impressions of the things around him. It is usually uncertain whether or not those impressions match reality, he may be sensing some unseen presence, or it could just be his imagination. These conversation poems escape being narrowly personal as they are combined with a vivid historical sense of the poet or speaker's past experience. No flamboyant metaphors, no decorative imagery they offer an evocative telling, defines his experience. It leads to the creation of subtle sensory impressions. Often he is an ancient watcher, a lone mourner, a flaneur figure, the cool, aloof observer-participant of urban city life. A complex dialectics is at work here. His poem "Vacillation" states: "To be or not to be, that is Hamlet / The ice cubes withdraw, inside her

Glimpses of Birth anniversary celebration of Pandit Ishwar Chandra Vidyasagar, 2018

THE COLLEGE CELEBRATES THE BIRTH ANNIVERSARY OF PT. ISWARCHANDRA VIDYASAGAR

One of the grand events in the VCFW calendar is the celebration of the birth anniversary of Pt. Iswarchandra Vidyasagar. This year we celebrated the 198th anniversary with the usual pomp and grandeur. The day-long program began by paying homage to the great soul, garlanding the statue in the Vidyasagar Smriti Mandir grounds, which was once home to Vidyasagar. Among the honoured guests we had the privilege of listening to Sri Pankaj Saha, Director of Prasar Bharati, Sri Amalesh Dasgupta, Secretary, ICCR, Sri Ujjal Basu, Sri Sankar Nath, renowned Oncologist. While Mr. Saha talked about the social aspects of Vidyasagar's philosophy, Mr. Dasgupta dwelt on the international aspects of his works and ideals. We also had the pleasure of listening to a poem on Pt. Vidyasagar, composed and read out by Sri Ujjal Basu.

The cultural program for the day included songs, dance performance, and also a one-act play by students of the college. There was also a prize-giving ceremony for those who had participated in the

Inter-College competitions which included debates, essay-writing, extempore, all held a few days prior to 26th September. An occasion with full-hearted participation by teachers, non-teaching staff and students alike, the event ended too on a happy note with refreshments and thanksgiving. Altogether it was a befitting celebration to honour Pandit Iswarchandra Vidyasagar, and his contribution in our lives.
