Brief History : A Blossoming Bastion of Feminine Brilliance

Emerging as a verdant haven for the cultivation of female minds, Vidyasagar College for Women stands as a testament to the visionary spirit of Pandit Iswar Chandra Vidyasagar, the architect of modern Bengal. Deeply rooted in the legacy of Vidyasagar College, founded in the auspicious year of 1873, this institution for women first blossomed on the 1st of July, 1931, when it received the hallowed benediction of the University of Calcutta.

Though its early years were marked by trials, with tempestuous shifts in location and the somber shadows of the Second World War, the college persevered, its spirit indomitable. Like a tender sapling defying adversity, it grew in stature, nurturing a burgeoning community of scholars. The number of its pupils flourished, expanding from a modest grove of seventy-five in 1931 to a verdant canopy of four hundred and fifty-eight in 1940, culminating in a resplendent forest of eleven hundred and eighty-nine in the seminal year of 1960.

In that auspicious year, the Women's Section, having outgrown its chrysalis, emerged as the resplendent Vidyasagar College for Women, its abode nestled at 39 Sankar Ghosh Lane, Kolkata. This hallowed ground, subsequently revered as the First Campus, became the cradle of countless dreams realized.

Vision

The college abides by kindred attributes of inclusivity accessibility and approachability, including female candidates from all sections of society and chiseling them into educated, confident and compassionate individuals who can face the stormy currents of life with steel grit, boundless resilience and undaunted perseverance.

Mission

‘Jñāna, Tyāga, Sevā’- the three edicts promulgated by the founding father, the great Renaissance stalwart, Pandit Iswar Chandra Vidyasagar, exemplify the mission that Vidyasagar College for Women tries to envisage:

- Imparting knowledge in a comprehensive and lucid manner, through PPTs, simulations, experiments, educational excursions, classroom-seminars, invited talks, student exchange programmes, Arts and Science Fairs, Inter-College Competitions, with special care for slow learners and classified tasks for advanced learners.
- Encouraging participation in add-on, job-oriented

courses for honing their employability skills.

- Motivating the students to participate in co-curricular and extra-curricular activities like NSS, NCC to instill confidence and compassion in young minds, helping them to develop holistically.

The teaching-learning mechanism has seamlessly amalgamated both academic and non-academic paradigms, driven by the ultimate objective of empowering with empathy.

The Institutional mission and vision are also evinced by the overall policies of transparency, robustness, decentralization of administrative and decision-making power involving almost all stakeholders.

Message from the President GB

अनुशासित बनें विद्यार्थी

“काक चेष्टा, बको ध्यानम्, श्वान निद्रा तथैव च अल्पाहारी, गृहत्यागी, विद्यार्थी पंच लक्षणम् ।।”

विद्याध्ययन करने वाले विद्यार्थियों के लिए पौराणिक काल से ही यह सुनिश्चित किया गया था कि उनका जीवन पूर्णतया अनुशासित हो। विद्यार्थियों के लिए कौवे जैसी निरंतर चेष्टा करने, बगुले जैसा ध्यान लगाने, श्वान जैसी हल्की नींद लेने, कम भोजन करने तथा घर से दूर आश्रम (वर्तमान संदर्भ में हॉस्टल) में रहकर विद्या ग्रहण करने का स्पष्ट निर्देश था। तत्कालीन समय में गुरुकुल की प्रथा चलन में थी, जहां गुरुओं के आश्रम में रहते हुए विद्यार्थी उनसे शिक्षा ग्रहण करते थे। उनका जीवन पूर्णतः अनुशासित होता था। विद्यार्थी सुबह ब्रह्मकाल में उठकर स्नान-ध्यान करते तथा इसके बाद गुरु से विभिन्न विषयों में शिक्षा हासिल करते थे। विद्यार्थियों को शिक्षा दी जाती थी ‘विद्या ददाति विनयम्, विनयम् ददाति पात्रताम्...’ कि वे विनयी बनें, क्योंकि विद्या से व्यक्ति विनयी होता है तथा विनयी व्यक्ति ही “सुपात्र” माना जाता है।

कालांतर में शैक्षणिक व्यवस्थाएं बदलीं तथा शिक्षा के वास्तविक उद्देश्य बदल गये। जीवन के पूर्ववर्ती उद्देश्य “धर्म-अर्थ-काम-मोक्ष” में से अब “अर्थ” सर्वप्रधान बन गया है। इसी कारण “मानवीयता”, “सौहार्दता”, “सहभागिता”, “परोपकार” जैसी उदात्त भावनाएं कम हुई हैं। पहले जो शिक्षा संपूर्ण व्यक्तित्व निर्माण पर जोर देती थी, अब “अर्थोपार्जन” पर केंद्रित नजर आती है। संस्कारों से अधिक जोर तकनीकी कौशल पर है।

ऐसे में संपूर्ण समाज का दायित्व है कि ह्यूमन रोबोट“ बनते जा रहे विद्यार्थियों को संस्कार एवं अनुशासन का पोषण दें ताकि वे समाज, देश व पूरी दुनिया को श्रेष्ठ से श्रेष्ठतर बना पाएं। आज आवश्यकता है नये सिरे से इस बात पर विचार करने की कि नयी पीढ़ी के हित में उन्हें “अनुशासन” का वास्तविक पाठ पढ़ाएं और गुरुदेव रवींद्रनाथ टैगोर के निम्न शब्दों का अनुपम संसार विकसित करें -

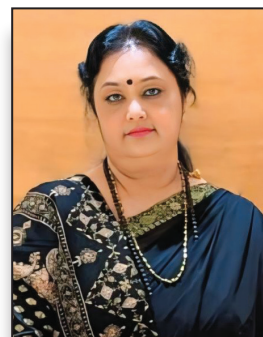

চিত্ত যেথা ভয়শূন্য উচ্চ যেথা শির, জ্ঞান যেথা মুক্ত, যেথা গৃহের প্রাচীর
আপন প্রাংগণতলে দিবস-শরবরী, বসুধারে রাখে নাই খণ্ড ক্ষুদ্র করি

अर्थात् -

मन हो निर्भय जहां, ज्ञान हो मुक्त जहां,
ऊंचा हो शीश जहां, वसुधा नहीं बंटी हो जहां
संकीर्णता के छोटे-छोटे टुकड़ों में।

Principal's Message

This institution stands as a beacon of tradition and knowledge, a sacred space where young minds are ignited. As the custodian of this esteemed institution, founded by the visionary Pandit Ishwar Chandra Vidyasagar, a pioneer in women's education, I bear the sacred responsibility of nurturing young minds into confident, compassionate and intellectually distinguished individuals. As the Head of the Institution I am committed to preserving its hallowed aura and carry forward this cherished legacy.

Education, to me, is a harmonious symphony of intellect and imagination. It is within these hallowed halls that I endeavour to cultivate a fertile ground for creativity to flourish. This college, a testament to Vidyasagar's unwavering belief in the power of education to transform lives, is more than a place of learning; it is a sanctuary where aspirations take flight.

Knowledge, like the sun, dispels the shadows of ignorance, illuminating the path to righteousness and integrity. I dedicate myself to nurturing the academic potential of our students, providing them with the tools to unlock their full potential. In this noble pursuit, I am privileged to be surrounded by a dedicated faculty whose unwavering commitment shapes the lives of countless students.

Our focus extends beyond the realm of textbooks. We strive to mould well-rounded individuals, instilling in them discipline, moral fortitude, and intellectual curiosity. By fostering an environment that nurtures both emotional growth and academic excellence, we empower our students to develop self-belief, self-awareness and self-assurance.

Our campus is a vibrant tapestry of cultures, where diversity is celebrated. We instill in our students the values of tolerance and respect, preparing them to become responsible and compassionate citizens. Our aim is to produce individuals of character, confidence and conscience, who will be a credit to our nation.

Education, I believe, is a transformative journey that extends far beyond the acquisition of degrees. It is a pursuit of knowledge, humanity, and wisdom, a path that demands dedication and character.

I pledge to continue working tirelessly to uphold the legacy of this institution. By fostering strong bonds with faculty, students, staff and parents, I believe we shall create a nurturing environment where dreams take flight. Together, we will ensure that the values enshrined within these walls are carried forward by generations to come.

Admission to Under Graduate 3-Year Multidisciplinary/4-Year Honours Programme

[under Curriculum and Credit Framework (CCF, 2022)]

Admission Rules:

a) A candidate who has passed the Higher Secondary (10+2) or its equivalent Examination is eligible to seek admission to the 1st year of the 4-Year (8 semesters) B.A./B.Sc. Major/Honours Courses and 3-Year (6 semesters) B.A./B.Sc. Multidisciplinary courses of Studies under CCF, 2022 conducted by the University of Calcutta provided he/she has also passed in English having full marks not being less than 100 and fulfills the conditions mentioned below.

Candidates who have passed the Higher Secondary (10+2) Vocational examination conducted by the West Bengal State Council of Vocational Education and Training shall be eligible to seek admission to the B.A. (General) 1st year Course of Studies taking the subjects under Humanities Stream only.

However, no candidate shall be allowed admission after a lapse of more than 3 years from the year of passing the previous qualifying examination.

Explanation:

The year of admission will not be taken into account while calculating five years from the year of passing the previous qualifying Examination. For example, if a candidate had passed 10+2 examination in 2021, he/she will also be eligible for applying in 2024 for the session 2024-2025.

b) Students who have passed the Higher Secondary (10+2) Examination or its equivalent from the All India Boards/Councils (i.e. CBSE, ISC and National Institute of Open Schooling) are not required to submit Migration Certificate for getting Registration under University of Calcutta.

For the purpose of determining eligibility for admission to the B.A./B.Sc. (Major/Honours/Multidisciplinary) Courses, aggregate marks shall be calculated by adding the marks in top-four subjects in order of marks secured by a candidate. Marks in compulsory Environmental Education/Studies will not be taken into account for calculation of aggregate marks. However, if the subject “Environmental Science” is studied as an elective subject of 100 marks, it may be taken into account for the purpose of determining the aggregate marks.

Eligibility Criteria for Application:

➤ A student taking up Major Course in a subject under 4-Year Honours Programme must have obtained:

❖ General, OBC& EWS Category:

50% marks in aggregate with 45% marks in the subject or related subject(s)* at the previous qualifying examination

❖ **Types of subjects for 4-Year B.A./ B.Sc. Honours (Major) :**

i) Major Courses:

All students shall have to take 22 DSC of one subject. In addition, students who do not qualify or opt for 4-year degree course-by research, will have to take three additional courses with provision for project based evaluation (as mentioned in the syllabus of respective subjects). Although the course contents of all Minor courses are identical with some Major courses of that subject, the examinations for Major and Minor courses will be conducted separately. A college shall offer Major Courses only in such subjects in respect of which it has affiliation for Single Major courses.

ii) Minor Courses:

Course content to be the same as Major Courses of a given standard. A student will have to take 8 Minor Courses from the same broad discipline as the Major excluding the Major subject. Students have to study 4

Minor Courses in the first two years (1 in each semester) and 4 Minor courses in the 3rd year (2 in each semester).

Of the 4 courses in the first two years, 2 courses have to be taken from one subject (m1) in the 1st and 2nd semesters and 2 courses from the other subject (m2) in the 3rd and 4th semesters. All these courses are intended to be at level 100.

The exact Minor courses are specified in the syllabus of respective subjects. For any Minor subject the first two Minor courses (irrespective of whether it is taught in 1st or 2nd year) will be identical with the first two courses of the corresponding Major subject. In the third year (Semester - 5 & 6) two Minor subjects in each semester will have to be taken from two different subjects. These courses are of level 200. A Minor course opted for in the 5th semester will have to be selected from among the Major courses offered in the 3rd semester level (level 200). Similarly a minor course opted in the 6th semester will have to be selected from among the Major courses offered in the 4th semester (level 200).

iii) Inter Disciplinary Course (IDC):

A student will have to opt for three IDCs (one in each of the first three semesters) from a pool of courses offered in the different disciplines. These courses must be different from the Major and Minor subjects.

iv) Skill Enhancement Course (SEC):

SEC courses are based upon skill enhancement. A student shall study 2 SECs based on Major subjects in 1st and 3rd semester. In the 2nd semester the student can study Artificial Intelligence (Science Discipline) or Digital Empowerment (Humanities & Language Discipline) or as specified in the syllabus of the concerned Major subject. Course structure (Th, P, Tu) and credit distributions (4 TH + 0P/TU; 0 TH+4P; 2 TH+2 P/TU; 3 TH+ 1 P/TU) may differ from subject to subject.

Note: There shall be no course containing only Tutorial.

v) Common Value Added Course (CVAC):

There shall be 4 CVAC courses of 2 credits each. In the 1st semester there shall be 1 compulsory CVAC in ENVS & one CVAC in Constitutional Values. In the 2nd semester there shall be 1 compulsory CVAC in ENVS & the students shall select the other CVAC from a pool of courses.

vi) Ability Enhancement Course (AEC):

All students shall have to study 4 AEC courses of 2 credits each (one in each of the first 4 semesters). There will be a compulsory AEC, named Compulsory English which shall be studied in the 1st and 2nd semesters and there will be an optional AEC (MIL/ Alt. Eng) to be studied in the 3rd & 4th semesters.

Campus Wellness and Support

On Campus:

The college prioritizes the holistic well-being of its students and offers comprehensive support services. Regular health checkups and medical camps conducted by qualified physicians ensure students' physical health. Moreover, professional counselors are available to provide guidance and support for personal, domestic, and social challenges.

Off Campus:

For specialized medical attention, students can avail themselves of the facilities provided by the Students' Health Service and University Health Centre, located at Goenka Hospital on Muktaram Babu Street.

Additionally, the Students' Health Home, situated at 142/2 A.J.C. Bose Road, offers a range of medical services to students free of charge upon the Principal's recommendation, commencing one month after admission. These services include:

- Comprehensive medical examinations and consultations
- Subsidized laboratory tests (blood, sputum, etc.)
- Affordable X-ray services
- Discounted prescription medications and spectacles
- Hospitalization assistance in various city hospitals
- Free tuberculosis treatment at specialized sanatoriums

Beyond physical health, the college is committed to students' overall development. Career counseling and placement cells are established to guide students towards their professional aspirations.

Shaping Futures: Our Commitment to Student Success through Career Counseling and Placement Cell

The college is steadfast in its dedication to empowering students with the knowledge, skills, and confidence necessary to excel in their chosen careers. Our Career Counseling Cell serves as a compass, guiding students towards fulfilling professional paths. Equipped with state-of-the-art psychometric, aptitude, and personality assessment tools, the cell provides in-depth career counseling tailored to individual strengths and aspirations.

Working in tandem with our Placement Cell, we bridge the gap between academia and industry. This dynamic duo operates from our Second Campus, offering students unparalleled access to a wealth of career opportunities. Through rigorous training, mentorship, and industry connections, we prepare our students to thrive in a competitive job market.

The results are evident: a substantial number of our alumni have secured prestigious positions in government and private organizations, educational institutions, healthcare facilities, and diverse

professional fields. Their achievements stand as a testament to the effectiveness of our career development programs.

By investing in our students' future, we are not only shaping individual destinies but also contributing to the growth and prosperity of society.

Nurturing Holistic Development: Psychological Counseling

Beyond academic excellence, the college is deeply committed to the overall well-being of its students. Recognizing the increasing prevalence of mental health challenges among young people, including depression, anxiety, and age-related disorders, we have established robust psychological counseling services.

Our dedicated counselor provides a safe and confidential space for students to explore their emotions, cope with stress, and build resilience. By offering professional guidance and support, we aim to empower students to overcome mental health obstacles and reach their full potential.

In addition to the specialized services of our counselor, the Head of the Institution, a certified counselor, is readily available to offer counseling and support as needed. This dual approach ensures comprehensive mental health care for our students.

We believe that a sound mind is essential for academic success and personal growth. Our commitment to psychological counseling is a testament to our dedication to creating a nurturing and supportive campus environment where students can thrive.

Enhanced Security

To safeguard the well-being of our students, staff, and valuable assets, the college has implemented a robust CCTV surveillance system in the New Building. This state-of-the-art security measure provides round-the-clock monitoring, ensuring a secure environment for all.

Financial Convenience

For seamless financial transactions, the college maintains an account with the Bank of Baroda, College Street Branch, Kolkata 700006. All student fee payments are made at this branch. We encourage students to open their personal savings accounts at the same bank for added convenience and to avail of potential benefits offered by the college.

IGNOU *Study Centre* (28162)

In the grand tapestry of Indian education, the Indira Gandhi National Open University (IGNOU) stands as a beacon of hope, illuminating the path of knowledge for those who might otherwise be excluded. Established in 1985, IGNOU embodies the very essence of a “People’s University,” shattering the rigid confines of traditional education and democratizing access to higher learning. Vidyasagar College for Women, with its illustrious history, is proud to be a part of this noble mission, serving as IGNOU’s Learner Support Centre (LSC Code: 28162) since 2001. Our college recognizes that life’s circumstances can often make pursuing a regular education a distant dream. Perhaps you are a working professional seeking to enhance your qualifications, a parent juggling responsibilities, or an individual yearning to reignite your academic journey after a hiatus. Vidyasagar College for Women, through its association with IGNOU, extends a warm embrace to all such individuals. We understand that the desire to learn transcends limitations, and IGNOU’s flexible learning system provides the perfect platform to cultivate your knowledge and skills. Within the hallowed halls of our college, nestled amidst the vibrant energy of female empowerment, lies the dedicated IGNOU LSC. Here, you will find a team of passionate individuals, led by Dr. Molly Ghosh (Associate Professor) and Dr. Sanjib Saha (Assistant Professor), who are committed to guiding you on your academic path. Our esteemed counselors, vetted by IGNOU headquarters, offer invaluable guidance through online sessions, while our support staff, including Sri. Mayukh Bera, Ms. Mithu Saha, Mrs. Dolly Ghosh, Sri Swapan Sen, and Sri. Tapan Hazra, are ever-present to assist you with queries and administrative tasks. Whether you seek a job-oriented program like Social Work (BSW/MSW) or Tourism Studies (BTS/MTM), or aspire for a postgraduate degree in Library Science (MLIS), Vidyasagar College for Women, in collaboration with IGNOU, offers a diverse range of options. We also cater to those seeking foundational knowledge through certificate courses in Environmental Studies (CES), Disaster Management (CDM), Information Technology (CIT), Human Rights (CHR), and many more. In the realm of business studies, we offer Bachelor of Commerce (B.Com) and Master of Commerce (M.Com.) programs. For those seeking careers in the social sciences and humanities, a plethora of undergraduate and postgraduate programs await, including Bachelor of Arts (B.A.) and Master of Arts (M.A.) degrees in Hindi, English, Political Science, Sociology, Anthropology, Public Administration, and more. We look forward to welcoming interested students to our vibrant learning community.

State-of-the-Art Learning Environment

Our Classrooms

The college provides ample space for academic pursuits with 19 classrooms in the historic Old Building and 11 modern classrooms, including an ICT room and computer lab, in the New Building.

Knowledge Hubs: Our Libraries

The Central Library: A haven for scholars, the Central Library in the New Building houses an impressive collection of over 23,588 books spanning various disciplines. The spacious 3000 square foot area offers a conducive environment for reading and research, complemented by photocopying, scanning, and printing facilities.

The Seminar Libraries: Located in the main campus, the seminar libraries cater specifically to the Arts departments. These departmental cubicles provide students and faculty with access to reference books, computers with internet connectivity, and a serene atmosphere for focused study.

Network Resource Centre

Recognizing the digital age, the college offers a Network Resource Centre adjacent to the library. Equipped with internet connectivity, this space allows students to make the most of their free time by exploring online resources and enhancing their learning experience.

A Stage for Brilliance: Bhagabati Debi Sabhagriha

Our auditorium, located on the second floor of the New Building, is a versatile space equipped with cutting-edge air conditioning and audio-visual technology. This magnificent venue serves as a platform for academic conferences, cultural performances, and other significant events, fostering a vibrant campus life.

Sister Nivedita Open Air Stage

The college is committed to providing students with a comprehensive learning experience and offers them an opportunity for all-round personality development. To this end, the Sister Nivedita open-air stage, within the New Building premises, plays a significant role. This is an outdoor venue which serves as a dynamic space for cultural events, student performances, and open-air gatherings.

Computer Laboratory

The Computer Laboratory, generously funded by Hon'ble MLA Smt. Smita Bakshi of Jorasako Assembly under the BEUP initiative, is a state-of-the-art facility located on the second floor of the New Building. Equipped with cutting-edge computers and accessories, this lab empowers students to engage in research, explore digital frontiers, and enhance their technical proficiencies.

IQAC Room

The IQAC Room, a modern workspace equipped with the latest technology, is strategically located on the second floor of the New Building. Under the expert guidance of Dr. Tapan Roy, Associate Professor in the Department of Mathematics, who serves as the dedicated IQAC Coordinator, the college has made significant strides in academic excellence through the implementation of rigorous quality enhancement initiatives.

Laboratories

The college has Laboratories of Botany, Chemistry, Geography, Physics, Physiology and Zoology in the main campus. To accommodate the growing needs of science education, the college has established Zoology, Physiology and Botany laboratories on the ground floor and Geography, Physics and Electronics laboratories on the third floor of the New Building. These additional facilities, in conjunction with the existing science laboratories in the main building, provide ample space for practical learning and scientific exploration.

NSS/NCC Rooms

The college fosters a vibrant campus life through active student engagement. Dedicated spaces have been created to support student activities and development and to facilitate their operations. The college boasts of a fully functional National Service Scheme (NSS) and National Cadet Corps (NCC) units.

Students' Union Room

The college encourages student participation in governance through a democratically elected Students' Union. The college strongly emphasizes student participation in various administrative and academic activities through student representation in the highest policy making body, the Governing Body, and various other Committees. Students are encouraged to voice their opinions and contribute to the college's growth. To facilitate their operations a dedicated room has been given to them. The Union room, equipped with necessary amenities, serves as a platform for student representation, committee meetings, and discussions on relevant issues.

Common Room

The spacious 1000 square foot common room in the main campus offers a relaxed atmosphere for students to socialize, engage in recreational activities like table tennis and carom, and prepare for college events.

Healthcare

Comprehensive healthcare services are accessible to students both within and outside the campus. This ensures timely medical attention and support for students' physical and mental health.

A Vibrant Campus Life: Students' Activities

The college cultivates a dynamic and holistic environment for students to excel both academically and personally. A wide array of co-curricular activities, supported by dedicated committees and initiatives, enrich the campus experience.

STUDENT ENGAGEMENT AND DEVELOPMENT

NCC and NSS:

The college houses an active NCC unit affiliated with the 'C' Roy 2nd Bengal Girl's Battalion, fostering patriotism, discipline, and community service. The NSS unit focuses on social welfare initiatives, particularly in underprivileged areas.

Cultural Programs: A rich tapestry of cultural events, including freshers' welcomes, farewells, and celebrations of national and literary figures, showcases the students' talents. The college regularly hosts music, dance, drama, and literary competitions.

Student Leadership: The Students' Union provides a platform for student representation and governance. Regular meetings and discussions empower students to voice their opinions and contribute to the college's growth.

ACADEMIC AND EXTRACURRICULAR PURSUITS

Departmental Seminars:

To stimulate intellectual growth and critical thinking, departments regularly organize seminars and workshops featuring both faculty and external experts.

Sports and Recreation: The annual sports meet and regular sports activities promote physical fitness, teamwork, and a healthy competitive spirit.

Excursions: Educational and recreational excursions are organized to broaden students' horizons and provide opportunities for experiential learning.

Quality Enhancement and Support : The IQAC plays a pivotal role in fostering a culture of quality and innovation. By supporting various initiatives, competitions, and exhibitions, the IQAC contributes to the overall development of the students.

The college's commitment to providing a well-rounded education is evident in its diverse range of activities, fostering a vibrant and engaging campus community.

“চোখের সামনে মানুষ অনাহারে মরবে, ব্যাধি, জরা, মহামারীতে উজাড় হয়ে যাবে, আর দেশের মানুষ চোখ বুঁজে ‘ভগবান’ ‘ভগবান’ করবে—এমন ভগবৎ প্রেম আমার নেই, আমার ভগবান আছে মাটির পৃথিবীতে, স্বর্গ চাই না, মোক্ষ চাই না, বারে বারে ফিরে আসি এই মর্ত্য বাংলায়।”

Unlock Your Potential

Seize the Opportunity for Training in Government Examinations

Empowering our female students to excel in competitive exams like UPSC, WBCS, SSC, CGL, CHSL, MTS, IB Exams etc. is crucial for their professional growth and to bolster women's representation in leadership roles. By equipping them with the necessary skills and knowledge, we are not only preparing them for challenging job markets but also fostering a generation of confident and capable women. Recognizing this imperative, we have partnered with esteemed organizations, National Vocational Academy of India, 1726, Vidyasagar Road, Ward- 10, Noapara, Barasat, West Bengal 700124 to provide comprehensive training that will enhance our students' aptitude, problem-solving abilities, and competitive edge, ultimately increasing their chances of securing coveted government positions and contributing meaningfully to society. To ensure maximum accessibility, this training is being offered to our college students at a nominal fee of Rupees 500 per month with complete waiver of admission fees. Additionally, we extend this opportunity to external students with an admission fee of Rupees 12,000 and a monthly tuition of Rupees 1,000.

In addition to this the college has also established an online portal for competitive examination training. The portal offers free, comprehensive guidance, including model questions and explanations, to help students prepare for government exams and enhance their problem-solving skills. This initiative aims to empower students, particularly women, and increase their chances of securing coveted government positions.

Alumni Association : Vidyasagar College for Women

From Classroom to Catapult : Alumnae Success

The Alumni Association of Vidyasagar College for Women, founded 21 years ago, is an association of immense value and pride. The association arranges for diverse activities engaging the past and present students of our college and render significant service to our college.

Name: Alumni Association of Vidyasagar College for Women

Official address: 39 Sankar Ghosh Lane, Kolkata 700006

Year of Registration: 2003

Reg No.: S/1L/14617

President: Dr Sutapa Ray, Principal, Vidyasagar College for Women

Secretary: Arshi Dey

Vision

We envision an Alumni Association that stands as a beacon of unity, empowerment, and positive influence. Our vision is one of continuous growth, collective impact, and a legacy that transcends time, promotes academic and professional excellence, and contributes to the college's continued success.

Mission

To promote exchange of academic and other experiences with the present students.

To advice and conduct activities motivating skill of the students.

To provide career guidance to present students by notable alumni.

The Alumni Association organizes reunions of ex-students; arranges for cultural programs, and collaborates with NSS in participation and contribution to social activities. Distinguished Alumni members regularly share their expertise on key development areas such as soft skill development, career growth, etc. and are actively involved in advising the Placement Cell of the college. The symbiotic relationship between alumni and academic institutions serves as a powerful catalyst for positive change, nurturing a vibrant and thriving educational community.

Our Shining Stars

Empowering Alumnae Shaping the World

Vidyasagar College for Women swells with pride as it boasts of distinguished alumnae who have scaled unprecedented heights. Among these luminaries, Dr. Chandrima Shaha, a titan in the realm of science, shines exceptionally bright. As the pioneering woman President of the Indian Science Academy and a distinguished Professor at the Indian Institute of Chemical Biology, Kolkata, Dr. Shaha's accomplishments are a testament to the institution's commitment to nurturing intellectual brilliance. Her journey, commencing as an alumna of the college in 1972, serves as an inspiration, propelling countless young minds to aspire for greatness.

Smt. Mala Roy,
Indian Politician,
Alumni-1976

Vidyasagar College for Women takes immense pride in celebrating Smt. Mala Roy as one of its illustrious alumnae. A graduate of the college in 1976, she has ascended to a prominent role in Indian politics, currently serving as the Chairperson of the Kolkata Municipal Corporation, a position she has held since 2015, making her the first woman to occupy this esteemed office. Smt. Roy's career is a testament to the remarkable potential of our students. As a Member of the Lok Sabha representing Kolkata Dakshin since 2019 and an active leader within the All India Trinamool Congress party, she has shown unwavering dedication to public service. Her tenure as a ward councillor, during which she transformed Ward No. 88 into one of the city's greenest areas, exemplifies her commitment to enhancing the lives of her constituents. Her political journey is distinguished by a resolute focus on social welfare and development, with a particular emphasis on women's rights, healthcare, and education. Her grassroots approach has not only endeared her to the people but also enabled her to effectively address their needs and concerns.

Dr. Indrani Chakravarty designed the first institute in India with the osmosis of research on and practical work and care for the elderly in Kolkata. The project not only provides necessary services to the elderly in Kolkata, but it draws necessary attention to the plight of the 104 million elderly in all of India.

Her institute, The Calcutta Metropolitan Institute of Gerontology (CMIG), which she founded in 1988, now serves as a base for her myriad of smaller ideas – all designed to provide a meaningful life for people over 60. These ideas include a mobile medical care unit, mobile medical centre for slum areas, recreational programs, a library for the aged, an adult literacy program, a lobbying drive for special seats for the elderly on Calcutta's buses, a computer training program, geriatric counselling as well as the first journal in India, titled "Ageing & Society," which covers research papers specifically concerning people over sixty.

ঈশ্বরচন্দ্র বিদ্যাভাগর

বিদ্যার সাগর ভুমি বিখ্যাত ভারতে।
করণার সিঙ্কু ভুমি, সেই জানে মনে,
দীন যে, দীনের বন্ধু!—উজ্জ্বল জগতে
হিমাদ্রির হেমকান্তি অল্লান কিরণে।
কিন্তু ভাগ্যবলে পেয়ে সে মহা পর্বতে,
যে জন আশ্রয় লয় সুবর্ণ চরণে,
সেই জানে কত গুণ ধরে কত মতে
গিরীশ। কি সেবা তার সে সুখ-সদনে।—
দানে বারি নদীরূপ বিমলা কিঙ্করী;
যোগায় অমৃত ফল পরম আদরে
দীর্ঘশিরঃ তরুদল, দাসরূপ ধরি;
পরিমলে ফুলকুল দংশ দিশ ভরে;
দিবসে শীতল শ্বাসী ছায়া, বনেশ্বরী,
নিশার সুশান্ত নিদ্রা, ক্লান্তি দূর করে।

—মহাকবি মধুসূদন দত্ত

আপনার জন্যই বর্ণপরিচয়
আমাদের
বিদ্যা-দয়ার সার্থক 'ঈশ্বর'
গর্ব মোদের

আমি দেশাচারের দাস নহি। নিজের বা সমাজের
মঙ্গলের নিমিত্ত যাহা উচিত বা আবশ্যিক বোধ
হইবে, তাহা করিব - লোকের বা কুটুম্বের ভয়ে
কদাচ সঙ্কুচিত হইব না।
